

# Year 1 learning from home

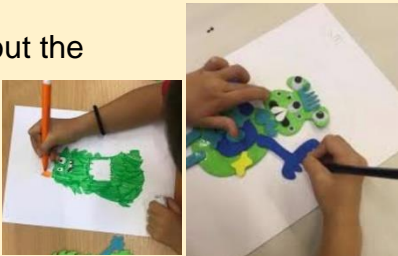

Dear parents/carers,

These activities are designed to keep children busy and enjoying learning, while providing flexibility for parents.

We realise that the family will need to share laptops or mobiles so only plan to do what you can. Everyone's homes are different so the activities we suggest are just a guide to help. We recognise that parents may be working, caring for sick family members or looking after little ones so choosing activities is up to you. We do not expect parents to be teachers and we are not going to be checking up to see how much work has been done!

The activities guide you and your child to be able to learn together or on their own.

### Word Aware

Play in a pair or a group

#### I went shopping!

The aim is to get through the alphabet.

The first player says: "I went to the shops and I bought an apple."

The next player says: "I went to the shops and I bought an **a**pple and a **b**anana."

Take it in turns to say what has been bought and add something beginning with the next letter in the alphabet.

### Maths

Complete this maths problem. If you have any old milk or drinks bottles you can make the skittles and play.

## PSHE

We are all unique and all special.

We are all different and like different things.

Make a poster with your name on showing all of the things that you like and all the things that make you special.

Make it as big and as bright as you can.

## Writing

Describe your monster. Use your art work to help you.

You should describe what it looks like (hair, eyes, teeth, claws, fur) and what it likes to do.

Remember to use capital letters and full stops.

Monty the monster is big and hairy. He has green fur with purple spots. He has sharp teeth but he is a kind monster. He likes cuddling his friends and eating fruit.
