

# Head Lice Talk, Get involved!

## What you need to know

- What are head lice?
- How do I know I have head lice?
- Who is at risk of catching head lice?
- Prevention and treatments.
- Head lice collection.

The Arthropod Product Control Test Centre, based at the London School of Tropical Medicine, is a world-leading arthropod control technology testing centre.

We are holding free head lice information and advice sessions for parents on the following days:

Thursday 18<sup>th</sup> January from 8:30am – 9:30am at Kingsgate Primary EYFS and KS1

Friday 19th January from 9am-10am at Kingsgate Primary KS2

Please come and join us after you drop your children.
