

06.12.18

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Mathletics and Hit the Button for 10 minutes each night.

Spellings:

clues	mission
mystery	cautiously
solving	carefully
investigated	silently
disguised	sneakily

Writing:

We are going to be writing our own versions of Ottoline and the Yellow Cat. We are going to change the baddie. Draw your **own baddie** and write about:

- What they look like
- What they say
- What their personality is like

For example: The **blue elephant** is huge. His legs are as thick as trees. If you get in the way of his long trunk you might have some of your precious jewellery stolen. "I have a plan to steal the jewels" he whispers sneakily.
