

Kingsgate Primary School Newsletter

Friday 4th May 2018

Dear parents and carers,

Please can I remind you again that the school does not give permission for children to be out of school in term time. When you plan your holiday and any trips overseas please arrange this for holiday times only. We greatly appreciate your help with this.

Best wishes
Liz Hayward
Headteacher

COFFEE MORNINGS INFORMATION SESSIONS

Coffee mornings will be in EYFS/ KS1 for both EYFS/KS1 and KS2 parents.

10th May Mathletics information session for Y1 and Y2 parents
17th May Camden Prevent with Jane Murphy Prevent education officer

Ramadan

We ask all families who are fasting during Ramadan to speak to your children about how young primary aged children can practise fasting at weekends or after school, if that is what you wish, but not during the school day.

If you decide that it is appropriate for your child to fast during the school day, you need to send a written note to the school office giving your permission.

Lost property

Please write your child's name in your children's book bags, PE kits, coats and school uniforms. If we find them in the playground, we can return them to you. Permanent marker pens are available in the school office if you want to use them. Please come and ask Homa if your child has lost anything.

Information session

"Helping children to build resilience and positive emotional wellbeing" for parents and carers.
Thursday 24th May from 9.00 – 10.00am
EYFS & KS1 training room
Led by Lee James (Camden)

How this session will help you :

You will understand the terms "mental health" , "mental illness" and "emotional resilience"
You will know how to build your child's emotional resilience
You will get tips for having supportive conversation with your child

ParentGym workshops

Parenting workshops, every Thursday from 9:30am-11:30am in EYFS & KS1 training room with the following topics:
Care –10th May
Discover – 17th May
Together –24th May

English classes for parents

We still have space for parents' English class for beginners.

Classes are on Mondays and Tuesdays from 9-11:15am in EYFS & KS1 training room

Parking

Please do not park illegally. It makes the roads unsafe for the children . It also makes life difficult for local residents and businesses.

We have had a complaint from Metatraders, the business located on Maygrove Rd near the new school entrance.

Parents are parking on the single yellow line and blocking their entrance to their parking spaces, making deliveries to the business difficult.

Good luck for SATS week

The week beginning 14th May is Y6 SATs week .

Our Y6 children have worked hard to get ready and we know that they will all do their best!

Children need to be in their class by registration

EYFS and KS1 9am

KS2 8.30

PACKED LUNCHES

We have seen an improvement, but please stick to our packed lunch rules published in the last newsletter.

Football

We took our Y3/4 and Y5/6 boys' football teams to a competition at the Linford Christie Stadium.

Both teams played extremely well. Our Y5/6 team were in tied first place with another school after all the games had been played but came second on goal difference.

Omar (Y6) scored the most goals out of all the boys in the competition and was named best player of the tournament by the other schools' coaches.

Well done to all boys involved.

Science in KS1

The children have enjoyed watering the plants and they are delighted that we have had some beautiful tulips and daffodils for spring.

Our vegetables are also growing well - the broad beans have flowered.

The children have helped to water and weed the plants at playtimes.
