

Online Safety Overview

We cover the three areas set out by the DfE in ‘Teaching online safety in school’ June 2019. We teach online safety in computing and PSHE lessons.

How to Stay Safe Online

Online relationships
 Privacy & Security
 Online reputation
 Online bullying

Wellbeing

Self-image and identity
 Online reputation
 Online bullying
 Health, wellbeing and lifestyle

How to navigate the internet and manage information

Managing online information
 Copyright and ownership
 Privacy and Security

	Autumn Term	Spring Term	Summer Term
Y1	<p>Teach children about the impact of online bullying and the importance of reporting it to an adult. PSHE lesson (Autumn term, Lesson 3)</p> <p>Teach children what happens to information, comments or images that are put online. Computing lesson (Autumn term, Lesson 3)</p>	<p>To teach children how to recognise risks and harmful content online and how to report it and get help from a trusted adult. <i>Jessie & Friends (Thinkuknow) Episode 1 – Watching videos</i> PSHE lesson (Spring term, Lesson 10)</p>	<p>Teach children to stay safe from sexual abuse and other risks they may encounter online <i>Jessie & Friends (Thinkuknow). Episode 2 – Sharing Pictures</i> Computing lesson 2)</p> <p>Teach children that people can behave differently online, but the same principles apply to online relationships as to face-to-face relationships. <i>Jessie & Friends (Thinkuknow) Episode 3 – Playing games</i> PSHE lesson (Summer term, Lesson 10)</p>
Y2	<p>Teach children about the impact of online bullying and the importance of reporting it to an adult. PSHE lesson (Autumn term, Lesson 11)</p> <p>Teach children that some online activities have age restrictions because they include content which is not</p>	<p>Teach children that people can behave differently online, but the same principles apply to online relationships as to face-to-face relationships. <i>Animal Magic with Lee & Kim (Thinkuknow)</i> PSHE lesson (Spring term, Lesson 10)</p>	<p>Teach children why some online activities have age restrictions and are not appropriate for children under a specific age. PSHE lesson (Summer term, Lesson 10)</p> <p>Teach children that devices/apps/games are designed to</p>

	<p>appropriate for children under a specific age. Computing Lesson (Autumn 1 term, Lesson 3)</p> <p>Teach children that Some information shared online is accidentally or intentionally wrong, misleading, or exaggerated Computing lesson (Autumn 2 term, Lesson 3).</p>	<p>Understand that not everyone online is who they say they are. <i>Animal Magic with Lee & Kim (Thinkuknow)</i> PSHE lesson (Spring term, Lesson 10)</p>	<p>keep users online and the benefits of rationing time spent online. PSHE lesson (Summer term, Lesson 10)</p> <p>Teach children that there needs to be a balance of time spent online and offline and the impacts on mental and physical wellbeing. PSHE lesson (Summer term, Lesson 10)</p> <p>Teach children to stay safe from sexual abuse and other risks they may encounter online <i>Jessie & Friends (Thinkuknow). Episode 3 – Sharing Pictures</i> Computing lesson (Summer term, Lesson 2)</p>
Y3	<p>Teach children how to recognise online bullying and the importance of reporting it to an adult. PSHE lesson (Autumn term, Lesson 10)</p>	<p>Teach children that some information shared online is accidentally or intentionally false or misleading. PSHE lesson (Spring term, Lesson 6)</p> <p>Teach children how to look out for fake websites or scam emails. PSHE lesson (Spring term, Lesson 6)</p>	<p>Teach children how content (images) can be shared online and how difficult it is to remove something. PSHE lesson (Summer term, Lesson 2)</p> <p>Ensure that children know what is illegal online, e.g. sharing images that are not appropriate. PSHE lesson (Summer term, Lesson 2)</p> <p>Teach children why passwords are important and how to keep them safe PSHE lesson (Summer term, Lesson 2)</p> <p>Ensure children the rules and principles of keeping safe online and how to access help and support and report harmful content. PSHE lesson (Summer term, Lesson 2)</p> <p>Teach children how to stay safe from sexual abuse, exploitation and other risks they might encounter online. <i>Play Like Share (Thinkuknow)</i> Computing lesson (Summer term, Lesson 2)</p>
Y4	<p>Teach children how to recognise online bullying and the importance of reporting it to an adult.</p>	<p>Teach children that some information shared online is accidentally or intentionally false or misleading.</p>	<p>Teach children how content (images) can be shared online and how difficult it is to remove something.</p>

	<p>PSHE lesson (Autumn term, Lesson 8)</p> <p>Teach children what happens to information, comments or images that are put online. Computing lessons (Autumn 1 term, Lesson 1 and 3)</p>	<p>PSHE lesson (Spring term, Lesson 6)</p>	<p>PSHE lesson (Summer term, Lesson 2)</p> <p>Ensure that children know what is illegal online, e.g. sharing images that are not appropriate. PSHE lesson (Summer term, Lesson 2)</p> <p>Teach children why passwords are important and how to keep them safe PSHE lesson (Summer term, Lesson 2)</p> <p>Ensure children the rules and principles of keeping safe online and how to access help and support and report harmful content. Bandrunner (<i>Thinkuknow</i>) PSHE lesson (Summer term, Lesson 2)</p> <p>Teach children how to stay safe from sexual abuse, exploitation and other risks they might encounter online. <i>Play Like Share (Thinkuknow)</i> Computing lesson (Summer term, Lesson 2)</p>
<p>Y5</p>	<p>Ensure children understand online bullying and its effect on others. PSHE lesson (Autumn term, Lesson 9)</p>	<p>Ensure children understand what is illegal online. Teach them what is safe behaviour when browsing. PSHE lesson (Spring term, Lesson 5)</p>	<p>Teach children how content (images) can be shared online and how difficult it is to remove something. PSHE lesson (Summer term, Lesson 5)</p> <p>Ensure that children know what is illegal online, e.g. sharing images that are not appropriate and the impacts and consequences of this. PSHE lesson (Summer term, Lesson 5)</p> <p>Ensure children understand the consequences of plagiarism and cyber piracy. PSHE lesson (Summer term, Lesson 5)</p> <p>Teach children why passwords are important and how to keep them safe PSHE lesson (Summer term, Lesson 5)</p> <p>Teach children different strategies for staying safe when communicating with others online, including consent and saying 'no'.</p>

			<p>PSHE lesson (Summer term, Lesson 5)</p> <p>Teach children how to stay safe from sexual abuse, exploitation and other risks they might encounter online. <i>Play Like Share (Thinkuknow)</i> Computing lesson (Summer term, Lesson 2)</p>
Y6	<p>Ensure children understand online bullying and its effect on others. PSHE lesson (Autumn term, Lesson 10)</p> <p>Teach children different strategies for staying safe when communicating with others, especially people they do not know/have never met. Computing lesson (Autumn 1, Lesson 3)</p>	<p>Teach children the consequences of sharing false or misleading information. PSHE lesson (Spring term, Lesson 5)</p> <p>Ensure that children understand what is illegal online (copyright) Computing lesson (Lesson 3)</p>	<p>Teach children how to stay safe from sexual abuse, exploitation and other risks they might encounter online. <i>Jigsaw (Thinkuknow)</i> PSHE lesson (Summer term, Lesson 6)</p> <p>Understand that not everyone online is who they say they are. <i>Jigsaw (Thinkuknow)</i> PSHE lesson (Summer term, Lesson 6)</p> <p>Teach children about the features of live streaming and the specific risks children and young people can face. <i>Live Skills (Thinkuknow)</i> Computing lesson (Summer term, Lesson 2)</p> <p>Teach children that much of the information online is a result of some form of targeting Computing lesson (Lesson 2)</p>
