

12.11.20

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Mathletics and Hit the Button for 10 minutes each night.

Spellings:

early
earth
eight
enough

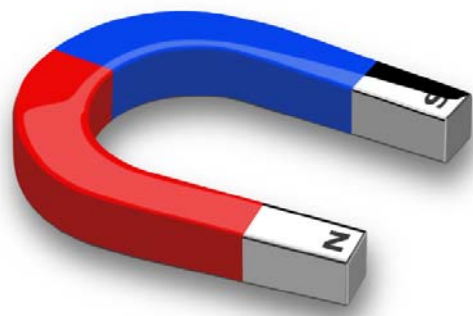

exercise
experience
experiment
extreme

Science:

In science we are going to be moving on to our new topic, 'Magnets'.

Research as much as you can about magnets.

- **What are they?**
- **How do they work?**
- **What are they used for?**

Homework due: 17.11.20
