

17.12.20

Year 4

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of year 4, you should know all 12 x tables and division facts. Complete your maths worksheet.
3. Practise your spellings.
4. If you can, play TT Rockstars and Hit the Button for 10 minutes each night.

### Spellings:

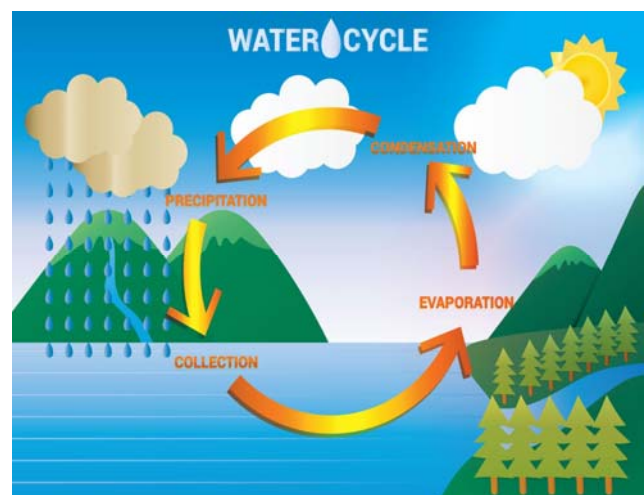

divide  
division  
erode  
erosion  
confuse

televise  
television  
explode  
explosion  
confusion

### Writing:

Research the water cycle. Take notes on the different processes involved and include a drawing/diagram of the water cycle.

Present your research either as a poster or leaflet.

Homework due: 05.01.21
