18.03.21 **Year 3**

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play TT Rockstars and Hit the Button for 10 minutes each night.

Spellings:

island	library
knowledge	Material
learn	medicine
length	mention

RE:

This term we are studying Hinduism and Holi. Create a poster about this wonderful festival.

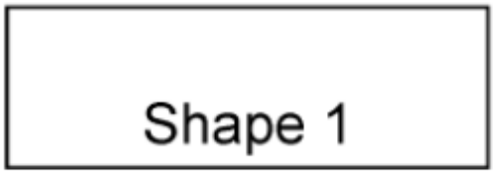
Remember to include, what people do, what they wear and why it is celebrated.

Homework due: 23.03.21

18.3.21

The perimeter of a shape is the path or distance all the way round the outside of it.

Calculate the perimeter for the shapes. Use a ruler to measure the sides.



Shape 1

Length of side 1 ..... cm

Length of side 2 ..... cm
