

**22.04.21**

**Year 5**

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars for 10 minutes each night.

**Spellings:**

patience  
violence  
obedience  
intelligence

confidence  
independence  
competence  
innocence

**Science Homework:**

This term, we are learning about the life cycle of living things. Draw the life cycle of a chick and another animal of your choice. Make sure your diagram is clearly labelled. Write a short description about what is happening at each stage of the life cycle.

**Homework is due on: 27.04.21**
