

14.10.21

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Mathletics and Hit the Button for 10 minutes each night.

Spellings:

consider	caught
continue	centre
decide	circle
describe	complete

Science:

We have been learning about rocks this half term in science. Create a poster explaining everything we have learnt about rocks so far.

You should include:

- **The names of different rock types**
- **What permeable/impermeable means**
- **What a fossil is**

Homework due: 19.10.21
