pronunciation
controversy
nuisance
temperature
bargain
equipped

Science:

This term, we have been learning about forces. Select any object at home. e.g. a ball, a fork, a pillow etc.

Explain how you could make this object move using:

- a) a contact force
- b) a non-contact force

Draw a scientific, labelled diagram to support your explanation.

**Homework is due on:
18.01.22**
