**History:**

In History, we have been studying what it was like to live as a Tudor. Imagine that you are living in the Tudor era. Write a diary entry including what your typical day might look like. Include information and facts that we have been learning about, along with your own research.

- What do you wear?
- What do you eat?
- What job might you have?
- What is your house like?
- What do you do for entertainment?

You can draw yourself as a Tudor, showing what clothes you are wearing and indicating whether you are a rich or poor Tudor.
