2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. Play Times tables Rockstars and Hit the Button for about 10 minutes each night.

**Spellings:** Practice these words

partially  
artificial  
immediately  
recommend  
marvellous  
suggest

delicious  
malicious  
convenience  
neighbour  
appreciative  
adoration

**Geography**

In geography, we have been studying the impact of the Great Fire (1666) on London. We learnt that London homes were rebuilt with brick and stone rather than timber, which was not fire safe. If you were the King or Queen at the time, explain and draw how you would rebuild London to ensure its safety.

Think about:

- how close to the river you can build
- how to reduce disease
- improving quality of life
