

23.02.23

Year 4

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Table Rock Stars, and Hit the Button for about 10 minutes each night.

Geography

Find names and facts about the ten longest European rivers.

Remember to include:

- Length
- Cities they go near or through
- Where they start and finish
- Load (How much water they contain)

Homework due: 28.02.23
