

16.03.23

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Hit the Button and Times Table Rock Stars for 10 minutes each night.

Science:

Our science topic this half term is 'Light'.

Research and answer these three questions:

1. What is light?
2. What is reflection?
3. How do our eyes see light?

You might want to look on BBC bitesize for the answers to these questions!

Homework due: 21.03.23
