

16.03.23

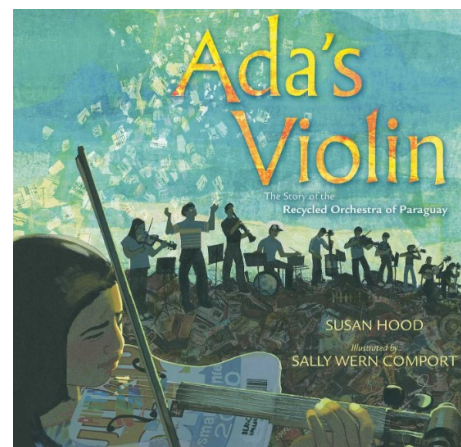

Year 5

Read your reading book for 30 minutes each night.
Practise your times tables for 10 minutes each night
and complete your maths worksheet.

If you can, play Timestable Rockstars for about 10
minutes each night.

Writing:

In Writing, we will soon be read-
ing Ada's Violin.

Research the book and the story
behind it. Think about what in-
struments they may have made
from recycled materials
and design one of your
own.

Draw and label an instru-
ment of your choice. What recycled material could you
use to create the right sound effect?

You **can** create your own instrument using recycled mate-
rials.

Homework is due on:
21.03.23
