

25.05.23

Year 4

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Table Rock Stars, and Hit the Button for about 10 minutes each night.

Science

Next term we will be learning about food chains.

Task 1: Research and write the definitions of a carnivore, herbivore and omnivore using examples.

Task 2: Research and write down some different animal food chains (at least 5).

Homework due: 06.06.23
