

22.06.23

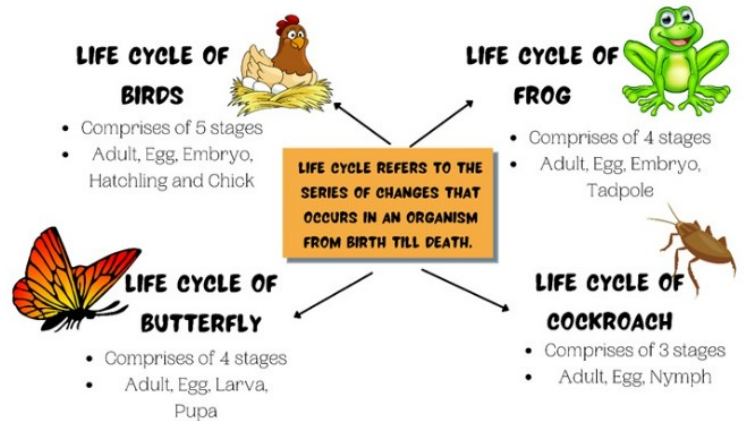

Year 5

1. Read your reading book for 30 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

Writing/Science:

In Writing and Science, we have been learning about life cycles.

Research the life cycle of an animal (not a butterfly or chicken as we have studied them already). Draw diagrams and write a fact file or some information about each stage in the life cycle.

Homework is due on:
27.06.23
