**Geography:**

In Geography, we have been learning about the capital cities of countries in the UK. We live in London, which is the capital city of England. For your homework this week, we would like you to design a poster about London.

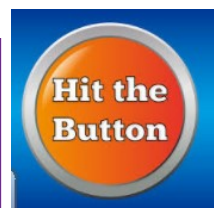

**You might like to include:**

**-the different landmarks you would see in London.**

**-what the weather is like**

**-other fun facts about London**

Challenge - choose a different capital city to make your poster about. It could be a capital city from another country in the UK or from a different country you have visited.
