

09.11.23

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Times Table Rock Stars and Hit the Button for 10 minutes each night.

History:

In History, we have been learning about stone circles, henges and barrows. Research some facts about Stonehenge and write about:

- What is it?
- Where is it?
- How long has it been around for?
- What could it have been used for?

When you have written your facts draw a picture of Stonehenge.

Homework due: 14.11.23
