

30.01.25

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

Computing:

This week the children have been learning about creating their own data branches. We used closed questions to sort into yes or no. Can you create your own data branch using the animals below.

Challenge yourself to make your own data branch.

Homework is due on: 04.02.25
