

03.04.25

Year 3

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Hit the Button and Times Table Rock Stars for 10 minutes each night.

Science:

Our science topic next half term is 'Plants'.

Think about what you already know about plants and create a poster all about plants.

Remember to include:

- What different parts of a plant are called
- What a plant needs to survive
- Draw pictures of different plants

Homework due: 22.04.25
