

Year 3

15.01.26

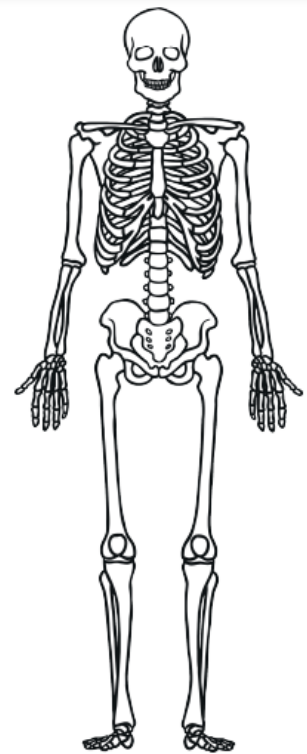

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

Science

Our topic this term is all about humans and animals. We have been focusing on the purpose of our different bones.

- 1) Draw a picture of our human skeleton and label as many bones as you can.
- 2) Write a few sentences explaining the purpose of our skeleton.

Please could you bring in any cardboard (cereal boxes, toilet rolls etc) that you may have so that we can use it in Art for this half term. Thank you!

**Homework due:
20.01.26**
