Year 5

1. Read your reading book for 30 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

In **History**, we have been studying what it was like to live as a Tudor. Using your own research and what we have been learning about, draw what a typical Tudor might look like. Around the image, write key facts about the Tudor era. Think about:

- What job might they have?
- What were Tudor houses like?
- What did they eat?
- What did they wear?
- What did they do for entertainment?
