

**12.02.26**

**Year 3**

1. Read your reading book for 20 minutes each night.
2. Practise your times tables for 10 minutes each night. By the end of Year 3 you need to know your 3, 4 and 8 times tables and division facts.
3. Practise your spellings.
4. If you can, play Hit the Button and Times Table Rock Stars for 10 minutes each night.

Our science topic 'Light'.

Write down a list of things in your home that are light sources.

## **International Mother Language Day**

On 21st February, it will be International Mother Language Day, which is an opportunity to celebrate different cultures and languages.

Translate a part of the whole poem in the language you speak at home. If you speak English at home, choose another language to translate it into.

We will share the translations of our poems in our assembly after half term.

**Homework due: 24.2.26**
