

26.02.26

Year 5

1. Read your reading book for 30 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. Practise your spellings.
4. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

History

In History we have been studying the impact of the Great Fire (1666) on London. After the fire, London was rebuilt to be more fire safe.

If you were the King or Queen at the time, explain how you would rebuild London and add a drawing to show how you would keep your people safe.

Think about:

- how close to the river you can build
- how to reduce disease
- improving quality of life

**Homework is due
