

16.07.26

Year 6

1. Read your reading book for 30 minutes each night.
2. Practise your times tables for 10 minutes each night and complete your maths worksheet.
3. If you can, play Times Tables Rock Stars and Hit the Button for 10 minutes each night.

Summer Reading challenge

This summer, we are challenging all the children at Kingsgate to read as much as possible. They can set their own reading goal and read anything they enjoy.

How to join:

- **At the library:** Visit your local library (like West Hampstead or Kilburn Library) to sign up, get a sticker booklet and collect rewards.
- **Online:** Sign up at summerreadingchallengeorg.uk to unlock digital badges and printable certificates.

Find local summer activities and more information at camden.gov.uk/summer-reading-challenge-2026.

Play Times Tables Rock Stars every day

Make sure you play Times Tables Rock Stars as much as possible to practice your times tables. Your class teacher will check at the start of next term and the children who have played the most will be celebrated

Oak Academy: online lessons

This is free online classroom and resource website which provides high-quality, teacher led video lessons, quizzes and worksheets that is directly with the national curriculum. You can access all of their free lessons and activities at thenational.academy
