05.11.26 **Year 6**

1. Read your reading book for 30 minutes each night.
2. Learn your times tables for 10 minutes each night and complete your maths worksheet.
3. Learn your spellings from your log book.
4. If you can, play Hit the Button and Timestable Rock-stars for 10 minutes each night.

Geography Homework

In geography you are learning about the continent of **South America**. For your homework we would like you to choose a country to research.

Complete a research project on your chosen country.
Remember to include information about:
Location, population, human and physical features, language and religion, major cities, trade, the economy and any other interesting information you find out.

Homework is due on: 10.11.26
