19.11.26 **Year 5**

Read your reading book for 30 minutes each night.
Practise your times tables for 10 minutes each night and complete your maths worksheet.
If you can, play Timestable Rockstars for about 10 minutes each night.

Science:
In science, we have been learning about properties of materials. For your homework, you will investigate the properties of different objects around your house.

Describe their properties using scientific language. Then **explain why** that object is made out of that specific material. There is an example on the sheet.

Transparent Translucent Opaque Brittle Hard Soft
Magnetic Waterproof Absorbent Rigid
Synthetic Natural Shiny Flexible Rough
Electrical conductor Electrical insulator

Homework is due on: 24.11.26
