

Dear parents and carers,

Welcoming the children back to school after lockdown has been wonderful. The children were all so happy to see their teachers and friends. We are very proud of their resilience and their attitude to their learning. I want to say a huge thank you to all of our parents and carers who did such a great job of helping the children with their learning during the school closure. We recognise that it was a very challenging time for many parents and carers, for many different reasons. Here at school every single member of staff is committed to helping the children settle back and get into top gear with their learning.

Best wishes
