

Reception News

Our topic is

Animals

This week in Reception

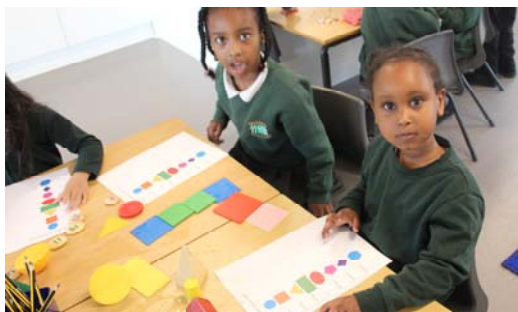

We are really enjoying our topic about animals. This week we looked closely at worms using magnifying glasses. We loved watching them move in the soil.

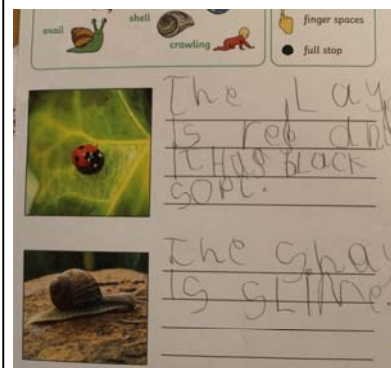

We have also been busy riding the bikes. We are getting very good at balancing on the ones with 2 wheels.

We learnt about 2d and 3d shapes and how to describe them.

Our work

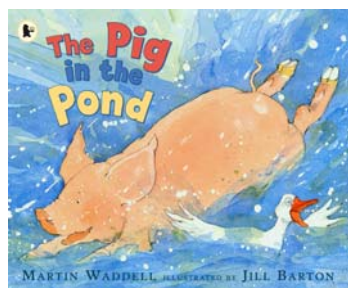

Next week in Reception

Literacy

We will read the book 'The Pig in the Pond.'

We will write an alternative ending.

Word Aware

We will learn these words:

wild jungle desert woods both

Reading

Please remember to read with your child every day.

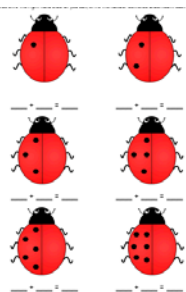

Maths—Measure

We will learn how to double and solve problems.

Can you tell me what is double 5?

How many dots do you need to add to the ladybird?

Understanding the World

We are learning about recycling. We will be learn what materials you can recycle.

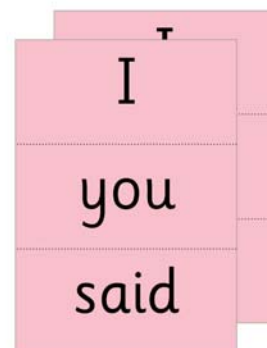

We will learn about the impact of waste in our environment.

Red Words

Red words are tricky words. These are words that cannot be sounded out using the sounds we know.

[Practice reading red words here](#)

Can you read all the words in the video?

Expressive Art and Design

We will be looking make our own farm using recycled bottles and boxes.
