

# Reception News

Our topic is

**Animals**

## This week in Reception

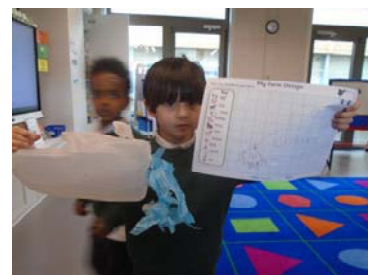

We have been working really hard on our number doubles this week. We used numicon and ladybirds to help.

We also learnt about the life cycle of butterflies. All of the caterpillars have now grown into butterflies. We loved watching them fly around in the net and eat the tomatoes and fruit.

## Our Work

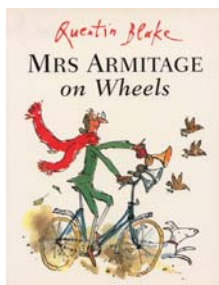

# Next week in Reception

## Literacy

Our topic next week is 'Bikes'.

We will read the book 'Mrs Armitage on wheels.'

We will write what we would add to our bikes and why.

## Word Aware

We will learn these words:

loud

bumpy

pull

push

travel

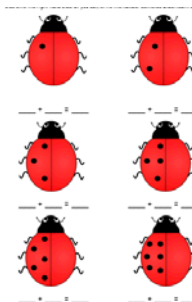

Please label all PE and school clothes so we can return them to the right children if they are misplaced.

## Maths—Number

We will learn how to halve numbers and solve problems.

Can you tell me half of 6?

Can you give half of the apples to your friend?

## Expressive Art and Design

We are looking at the artist Jaen Tingley.

We will try and make our own model inspired by Jaen Tingley's sculptures.

Please send us a photo of your child riding a bike?

## Junk modelling

We will need boxes and lids for junk modelling. Please send some to school with your child. Thank you!

## Understanding the World

We will be looking at what happens when your ride a bike over different surfaces.
