

Dear parents and carers  
Public Health have advised us that it is unwise to have large gatherings of visitors into school including parents at the moment because of the spread of covid. We have been fortunate that our cases have remained low and we are keen to do all we can to manage the risk of transmission. For this reason, we will film and post some Christmas songs on our website for you to enjoy. We will text you in the last week of term to let you know when they are available to watch on the website. We cannot hold coffee mornings until further notice. We strongly recommend that parents and carers wear a face covering if you come into the school building. Thank you for your understanding.

Best wishes  
Liz Hayward  
Headteacher

## Word Aware day

Learning new words! Thank you for sending your children to school dressed as their favourite word. It was fun for everyone!

**Last day of term**

Friday 17<sup>th</sup> December

EYFS/KS1 finish at 1.30pm

KS2 finish at 1pm

Pupils return to school on Tuesday 4<sup>th</sup> January

**Online safety tip**

<https://www.common sense media.org/>

This site reviews games for parents so that you can decide if a game is suitable for your child.

**Dodgeball Club**

We invited some children from Eleanor Palmer to compete against our KS2 Dodgeball club. The children had a great time!

**Science workshop**

The Francis Crick Institute came to school to lead a very interesting workshop in Year 2. The children are learning about germs in science.
