

Dear parents and carers

Wishing you all a happy Christmas holiday and a happy new year. Thank you for all your support and resilience in the face of many challenges. Let us hope 2022 brings a more settled time for us all.

See you all on Tuesday 4th January

Best wishes

Liz Hayward

Headteacher

EYFS KS1 Building works

During the Christmas holiday, developers are starting to build housing and offices on the land around the school.

When you return to school on 4th January, please continue to use the same gate you use now. If you are a Nursery or Year 2 parent, you will continue to use the Liddell Road (main) entrance. You will enter through a narrow covered walkway.

Lorries could be driving up and down into the building site at the start and end of the school day. Builders will manage the lorries carefully to ensure the safety of staff, parents and children. Please keep your children by your side at all times when entering all leaving the school grounds.

EYFS KS1 After school clubs

When you collect your child from an after school club, please use the Maygrove Road entrance.

Christmas Jumper day

Well done to the children in the Fundraising Committee who organised Christmas Jumper day and raised £284 for Save the Children.

Camden Council Takeover Challenge

Children from Camden primary and secondary schools 'took over' the Council as part of the annual Takeover Challenge event.

The pupils went to the Crowndale Centre all day where they worked with Council officers and other local professionals to prepare presentations on key topics:

The children and young people moved to the Council Chamber in the afternoon, where they presented their findings and ideas to other pupils, their teachers, senior Council officers, Councillors and the Mayor of Camden.

Camden Public Health - Message regarding the Christmas holiday

As an extra measure to protect our local school communities we are advising **all primary school pupils to do two LFD tests at home**, 3-5 days apart, with the second one the night before returning to school after the break. This measure has been shown to be highly effective at reducing the spread of the virus in secondary schools and by taking this important action at the beginning of term we can help to keep the number of cases low in our primary schools.

Reporting cases of Covid during the holiday

If your child tests positive following a PCR test during the holiday, please inform the school via the school website.

Poetry Club

Thank you to the children in Poetry Club who gave some wonderful performances in assembly. They brought the poems to life with confidence and enjoyment. Everybody loved their poems!
