

# Reception News

Our topic is

**Celebrations**

## This week in Reception

This week we had our Christmas lunch. We also played some Christmas board games and used our knowledge of recognising numbers and counting to help us.

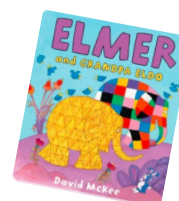

## Reading

Please keep reading stories together at home. Here are some of our favourites from this term.

The Tiger Who Came to Tea

## Messages

Please make sure all school uniform has your child's name clearly labelled.

## Phonics

Please keep reading stories to your children at home over the holidays.

Remember to practise reading the words and books the children have brought home.

You can also click on Fred to practise blending and the speed sound cards to practise your sounds!
