We will read the book 'Could a Penguin Ride a Bike?'.
...and other questions

We will be describing the way penguins look and collecting facts about penguins so that we can present them to the class.

Maths

Next week we will be using our number bonds to 10 to help us add numbers.

We will also be measuring and weighing ingredients to make biscuits.

Understanding of the World

We will be learning about how ice melts and linking back to our story last week 'Lily and the Polar Bears' to think about what this means for polar bears. We will learn ways we can help to stop the ice melting so fast.
