Pupil online safety survey

We have just finished doing an online safety survey with the children. We were pleased at how much they know and remember about keeping themselves safe online.

We will keep reminding them:

- What personal information means and never to give it to anyone online (in Year 1 & Year 2)
- Do not get into arguments with your friends or anyone else online
- Tell a trusted adult if anything happens online to upset them
- Not to use Tik Tok if you are under the age of 13.

School Council

Our new 2022 School Councillors have just been elected by the children. We teach the children about fundamental British Values. One of these is democracy. Electing a school council helps the children understand what democracy means.

Well done to the school councillors on their election!
