

Dear parents and carers

Thank you to all the parents who have offered to come on trips with us. We are very grateful because we could not take the children on so many trips without your help.

Unfortunately, we had to cancel some trips this week because of the rail strike but we will do our best to book them on another day.

Our yearly programme of trips is on our school website in the Curriculum section. Do have a look because we have some wonderful opportunities for children to enrich the learning that they do in school. That's one of the benefits of living in London!

Best wishes

Liz Hayward

Headteacher

## Bollywood Dance workshop

Year 1 loved their high energy Bollywood dance workshop. The three Year 1 classes came together at the end of the day and gave a fantastic performance.

## Attendance and punctuality

This is a polite reminder that it is against the law to take children out of school without the written permission of the headteacher. Please note that it is very rare for the school to give permission for children to be out of school during term time.

Courts can and do hand out heavy fines for non-attendance at school.

We expect all children to be in school on the last day of term (Friday 22nd July) and on the first day of autumn term (Monday 5th September).

If your child is in Nursery or Reception in September, you have received a letter to tell you the day that your child starts school.
