

# Reception News

Our topic is

**Caring for Our Planet**

## This week in Reception

This week we have been learning the story of Little Red Riding Hood and reading different versions of it throughout the week. We have also been practising skills we have learnt in PE in the playground such as basketball and playing games we learnt in music lessons with our friends. We have also continued to think about caring for our planet and have enjoyed watching the bees in the playground.

## Phonics

Click on the links to practise your sounds and word reading at home.

Word reading

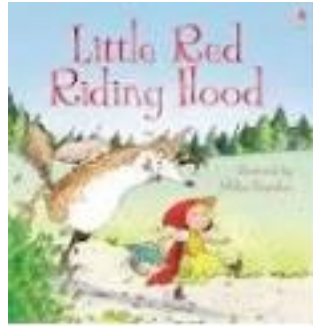

# Next week in Reception

## Literacy

We will read different versions of 'Little Red Riding Hood'. We will make and write our own version of Little Red Riding Hood.

## Word Aware

Next week we are learning these words:

early gobbled

arrived free

## Maths

Next week we will be reading the story 'SPLASH!' and we will solve problems with numbers to 20.

## Expressive Arts and Design

We will be using techniques that we have learnt this year to make self portraits using different materials.

## Songs, Rhymes and Poems

### The House That Jack Built (Extract)

This is the house that Jack built,  
 This is the malt  
 That lay in the house that Jack built.  
 This is the rat  
 That ate the malt  
 That lay in the house that Jack built.  
 This is the cat,  
 That killed the rat,  
 That ate the malt  
 That lay in the house that Jack built.  
 This is the dog,  
 That worried the cat,  
 That killed the rat,  
 That ate the malt  
 That lay in the house that Jack built.  
 This is the cow with the crumpled horn,  
 That tossed the dog,  
 That worried the cat,  
 That killed the rat,  
 That ate the malt  
 That lay in the house that Jack built.  
 This is the maiden all forlorn,  
 That milked the cow with the crumpled horn,  
 That tossed the dog,  
 That worried the cat,  
 That killed the rat,  
 That ate the malt  
 That lay in the house that Jack built.

## Understanding of the World

We will continue learning about the importance of recycling. We will make our own paper from recycled materials.
