

Dear parents and carers

At the end of last term we emailed you a copy of our parent information booklet. These are also on our website (click on the link to Curriculum). Please do ask your child’s teacher if you would like any more information about what your child is learning this term.

Best wishes
Liz Hayward

Speak Out Stay Safe workshops in Year 5 and Year 6

This week our Year 5 and Year 6 children had a special assembly and workshop with the NSPCC.

The children learnt about ChildLine, about keeping safe, about online abuse and what to do if they are worried about something.

After the assembly, the NSPCC contacted us to say that the children were amazing!. They said: ‘ The children’s behaviour was exemplary and they all participated in a really mature and considered way. They were outstanding.’

Well done, Year 5 and Year 6! We are proud of you.

Kingsgate Football Team

Our school football team are doing really well in the Camden League.

They are very close to making the finals. Well done children – keep it up!

Thank you so much to all the parents and carers who come to the matches to support their children

Camden Mental Health Support Team

Parent Teacher meetings on 24th February

School will be closed but please bring your child to the meeting.

You will receive an email from us today with a link so that you can book your parent teacher meetings at a convenient time.

If you need an interpreter during your meeting with your child’s teacher, please tell us.

Parent Maths workshops in Reception

We invited some parents into school to show them how to help their child to count and do some number work. Thank you for all your help.

Health advice regarding: Flu, COVID-19 and Strep A

The government has issued advice for parents about the rise in children aged 0—14 years being admitted to hospital with flu. Their advice is that any child with a fever should stay at home and not attend school until the fever (high temperature 38C or more) has passed and they feel well enough to be in school.

Children with mild symptoms such as a runny nose sore throat, or mild cough, who are otherwise well should still attend school. Please phone the school office and let us know if your child is not well enough to come into school. Thank you for your help with this.

Cost of living crisis

Camden Council have a cost of living crisis fund. They are able to give some help to families who are in severe hardship or financial crisis

You need to be resident in Camden for more than 6 weeks.

You need to be able to show evidence (possibly a bank statement) that you are in severe hardship or financial crisis.

Please contact the school if you would like Camden to consider your case. We will be able to submit an application.

Dates for your diary

15th January Closing date for applications to Reception in September 2023
