Odd Socks Day 2023

Thank you for helping the children support Odd Socks Day!

Learning about plants and animals

Year 2 classes visited Camley Street Natural Park last week as part of the science curriculum. They enjoyed taking part in pond dipping and minibeast hunting.

The Stone Age History comes alive

Year 3 loved their workshop as part of the History curriculum on 'Ages of Early Man'. We invited a theatre workshop to school and the children went on an imaginary journey back through time. It helped them to understand what life was like in early Britain.

Anti Bullying Week

During Anti Bullying Week the children learned about the different types of bullying and how to keep safe.

Our key message at school and at home is always to "tell an adult" if they feel that they are being bullied or someone that they know is being bullied.

The children came to school in odd socks to show that everyone is unique and individual, and we respect each other and celebrate our differences.

Reception parents and carers visiting school

Thank you to everyone who came in to read stories to their children and look at their work. The children loved seeing you in their classroom!
