

Dear parents and carers

Thank you for the great attendance at Parent Teacher meetings just before half term. We had 98% attendance. This shows the huge aspiration of all of our parents that their children do well at school and that you support the school in every way you can. Thank you for also showing your support by not taking children out of school in term time.

Warm wishes,
Meg

Raising money for charity

Well done to the School Council for raising over £500 for one of our chosen charities, Young Minds!

The children really enjoyed wearing their headbands and taking them home.

Thank you for the generous donations that you made to the just giving page.

Music in Reception

Children in Reception were very excited to welcome musicians from the Orchestra of the Age of Enlightenment. The musicians explained what the orchestra does. The children listened to them play their Instruments and they also sang songs together. It was a brilliant visit!

Measles cases are increasing in London

Measles is a very contagious disease that can make children seriously unwell if they're not fully vaccinated. Check if your child is up to date on their measles vaccinations by looking in their Red Book (or vaccine record). If you're not sure, and to book a free vaccine appointment, contact your GP. It's never too late to catch up.

If your child is at primary or secondary school in Camden, you can also book a free vaccine appointment with the school aged immunisations service by calling 020 3317 5076.
