

**Kingsgate Primary School Newsletter**  
Friday 14 February 2025

Dear parents and carers

We were very pleased to welcome you to parent teacher meetings today, to let you know how your child is doing and how you can help them. If you were unable to attend the meeting, please let us know so that we can rearrange.

We wish you all a relaxing half term and look forward to welcoming the children back on [Monday 24th February](#).

Warm wishes,  
Meg, Headteacher

**Girls and Boys Football Teams**

The Y5 & Y6 football teams have had another triumphant season. Both teams were successful in their play off matches and have made it through to the CSSA finals after half term. Congratulations to all of them on their dedication and effort. We are very proud of them!

The children made headbands and wore them to support the **Young Minds** charity. Thank you for your donations to this fantastic cause.

## CAMDEN LEARNING PRIMARY MATHS CHALLENGE DAY

Congratulations to the Kingsgate Y6 Maths Team who performed brilliantly at the Camden Learning Primary Maths Challenge day.

## Y6 Science Ambassadors Visit Reception

The year 6 science ambassadors visited children in Reception classes to help them take part in science experiments. Thank you to the parents and carers who came along too.
