

Reception News

Our topic is

Cold Places

This week in Reception

This week we have been learning about cold places. We were learning about penguins who live in the South Pole. We have enjoyed learning penguin facts and writing about them. We have also made igloos! In maths we were learning about capacity and using the vocabulary empty, half full, full, more and less. We made our own playdough by measuring out the ingredients.

Phonics

Next week in Reception

Literacy

We will continue to read the book 'Could a Penguin Ride a Bike?' and write sentences describing what penguins look like.

Word Aware

Next week we will learn these words:

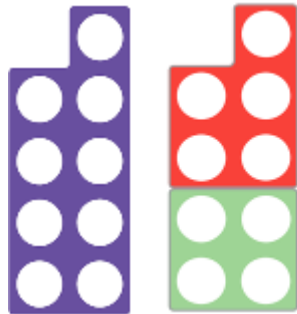

south estimate

release

travel forward

Maths

We will learn about numbers to 9. We will understand that 9 is made up of different numbers e.g. 5 and 4 is 9.

Understanding of the World

We will be learning about the weather and measuring rainfall using a rain gauge. We will also be looking at Norway and Antarctica on a map.

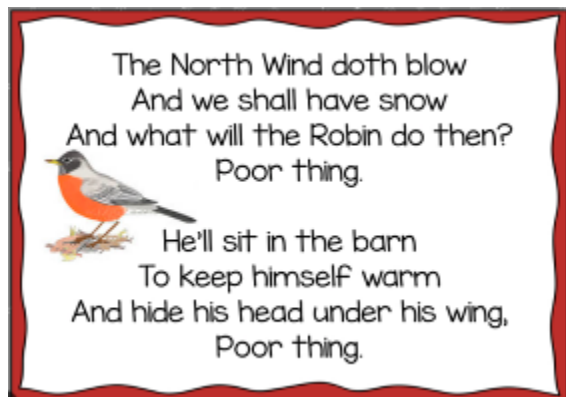

Expressive Arts and Design

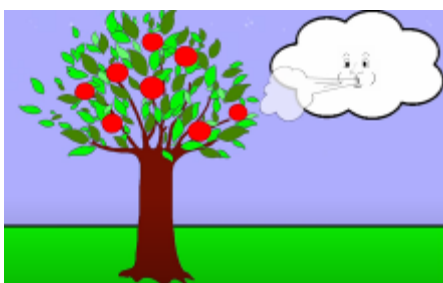

We will be planning and making our own collage pictures of polar bears. We will think about which colours we need to show that it is a cold place.

Songs, Rhymes and Poems

Messages

Please make sure that your child brings their PE kit into school on a **Thursday**.

It is important that all children practise getting changed so they can learn to dress themselves and be more independent.
