### It's Good To Be Me!

- 1    2    3
1. It's good to be me,  
It's good to know you,  
It's great to be different but together.  
There's no need to be  
In anyone's shoes,  
I'm happy to be the 'me' I am!

## Messages

Next time you go out for a walk with your child try getting them to focus on all the different noises you can both hear.

Thinking about and naming sounds is just as important for language development as learning words. Click on the picture to watch the video.
