

Kingsgate Primary School Newsletter

Friday 06 June 2025

Dear parents and carers,
We hope everyone had a restful half term.
There are so many great events to look forward to next half of term; including class and celebration assemblies, sports days and exciting trips and visitors. Please make sure your child does not miss out and comes to school every day. Eid Mubarak to all our families celebrating!
Warm wishes,
Meg, Headteacher

Exciting science at Kingsgate!

Children have lots of opportunities to learn about science through real life observations. They watched caterpillars turn into butterflies and then released them in the playground. They also had the chance to watch ducklings hatch and to handle them very carefully. The children made great observations and asked lots of questions!

Ballet Performance in Year 3

This week children in Year 3 enjoyed taking part in a ballet workshop. They learned steps, accompanied by a pianist. In July, they will visit the Peacock Theatre, to watch the **London Children's Ballet** perform 'Ella's Big Chance: A Jazz Age

Dates for your diary
