

Reception News

Our topic is

Being Healthy

This week in Reception

This week we were drawing different symbols to create our own pictures. We also used junk modelling materials to make Nutcracker toys. In maths we were learning about the number 8 and which two numbers add together to make 8.

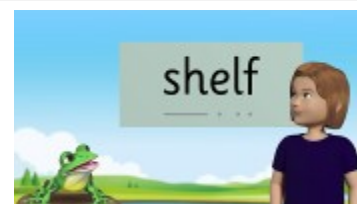

Phonics

Click on the picture to help Fred and Nell read the words.
Fred talk and read the word.

Click on the picture to complete the word challenge with Joshua.
Special friends, Fred talk and read the word.

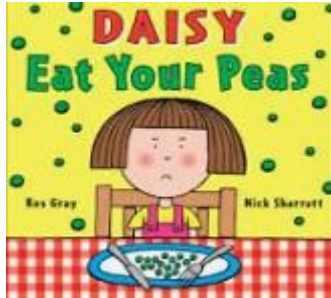

Next week in Reception

Literacy

We will read the story 'Daisy Eat Your Peas' and write about which food we like and dislike.

Maths

We will weigh objects to learn about mass. We will think about which objects are heavy and which are light.

Songs, Rhymes and Poems

This week we will be learning the rhyme 'I eat my peas with honey.'

I eat my peas with honey.
I've done it all my life.
It makes the peas taste funny.
But it keeps them on the knife!

Word Aware

We will be learning the words:

heavy

skip

wobble

defrost

chop

Understanding of the World

We will learn about healthy eating. We will also learn about how foods, such as peas, defrost.

Expressive Arts and Design

We will be learning how to create a pattern using an Ipad.

Messages

Your little one might love a game of I Spy to pass the time. It's a game you can play anywhere, either in the house or when you're out and about. But did you know it is great for their language learning?

Unsure how to play? Take a look at the video below.
