Food

This week in Nursery

This week some of the children visited Sainsbury's and brought the ingredients they needed to make a pizza. We were looking at fruits and we cut them open to see what the seeds look like inside. We also wrote our own shopping lists.

Messages

Every day in Nursery children brush their teeth.

Here are some tips for brushing teeth at home:

- Brush at least twice daily for about 2 minutes with fluoride toothpaste.
- Brush last thing at night before bed and at least on 1 other occasion.
- Parents or carers should brush the teeth.
- Use only a pea-sized amount of toothpaste.

Spit out after brushing and don't rinse – if you rinse, the fluoride won't work as well.
