### Unspent PE and sport premium grant funding

As a result of the coronavirus (COVID-19) outbreak, the Department for Education took steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the 2020 to 2021 academic year.

On 17 June 2021 the Education Secretary announced a further relaxation of ring-fencing arrangements for the PE and sport premium. This will allow any unspent grant to be carried forward into the 2021 to 2022 academic year.

Any under-spends carried forward from the 2019 to 2020 academic year, and the 2020 to 2021 academic year, will need to be spent in full by 31 July 2022. Kingsgate Primary School will factor this into PE and sport premium spending plans for 2021 to 2022 academic year.

### July 2021

Due to the coronavirus (Covid-19) outbreak and the closure of schools to most pupils Kingsgate Primary School has an under-spend of **£2016.16** that we will carry forward to the next school year.
